

DOOR-SIDE SERVICE

The Lakeside Library is now offering door side service by appointment only.

Visit sdcl.org/doorside for more information

“Your San Diego County Library branch now offers Door-side pickup. **This is an appointment-based service where customers can set up a time to check out books, movies, and CDs that they had requested prior to our closure. This is only for materials that we currently have ready for customers to pick up.**

How it works:

Step 1: If you had items on the request shelf at one of the available locations on the day the Library closed, you will be contacted by library staff to set an appointment to pick up these items. You do not need to call the library - our staff will call you if you have items to pick up

Step 2: Staff will provide pickup instructions when they make your appointment. Please note that masks and social distancing will be required for all staff and customers.

Step 3: Arrive at your appointed time and follow signs to the Doorside Pickup area. Library staff will provide you with your materials, which will already be checked out to you.

Step 4: Enjoy your materials! All due dates have been extended to July 31 and **we are not accepting any returns at this time.**”
