

**MARY'S CORNER**

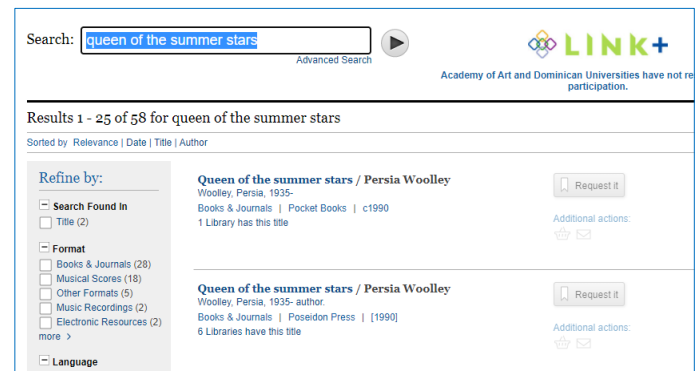

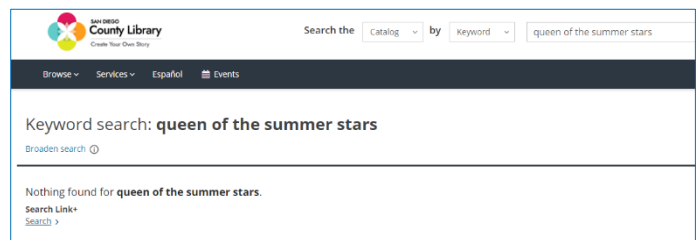

*Hello Lakeside Community,*

*It was wonderful to see so many of you at the Lakeside Western Days Parade! The staff and I were thrilled to hear you all cheer and shout for the NEW LIBRARY, and all of the wonderful services the library provides for you, our Lakeside Community.*

Along with all County Libraries, we are a Mail Ballot Drop Off location through Election Day. Right now you can drop off your ballots inside the library in the Registrar of Voters (ROV) provided Ballot Box: Monday – Friday, 10:00 am – 4:00 pm. On Election Day, September 14<sup>th</sup>, you can drop your ballots off from 7:00 am – 8:00 pm. **Please do not drop your ballots in the Book Drops.** All ballots must be placed into the ROV approved Ballot Box, which is monitored by at least two people at all times until it is placed inside a locked location. The ROV personnel come to pick up the boxes every few days and take them directly to the ROV to be counted on Election Day.

Link+ is back! You can now request items on the [www.sdcl.org](http://www.sdcl.org) website through Link+. When you look for an item in our catalogue and we do not carry it, it will say “Nothing found for \_\_\_\_\_” and under that you will see “Search Link+” with a blue link below it that says “[Search >](#)”. Clicking on the blue [Search >](#) will take you directly to the Link+ site and it will automatically search for the item you looked for. See the screenshots below:

**Exciting News!**

We are now able to start planning programs for ages 12 and up, near the end of September! We'll be starting slowly so stay tuned for more information.

Right now our first planned program is the Lakeside Book Club, on September 23<sup>rd</sup>, from 4:00 – 5:00 pm. We are purposely having this program after our normal business hours, to help ensure our Book Club Attendees feel safe and secure, and can physically distance themselves during the program. The book we are reading is *The Lions of Fifth Avenue*, by Fiona Davis. The book is available in several formats, here is a link to the book in our catalogue:

Go out and support kids of all ages, at this inaugural tournament!

**The Library will be closed on Monday, September 6<sup>th</sup>, for Labor Day.**

## PROJECT ARTISTS MEET & GREET

by Caprice Hubbard Sander, Friends Treasurer

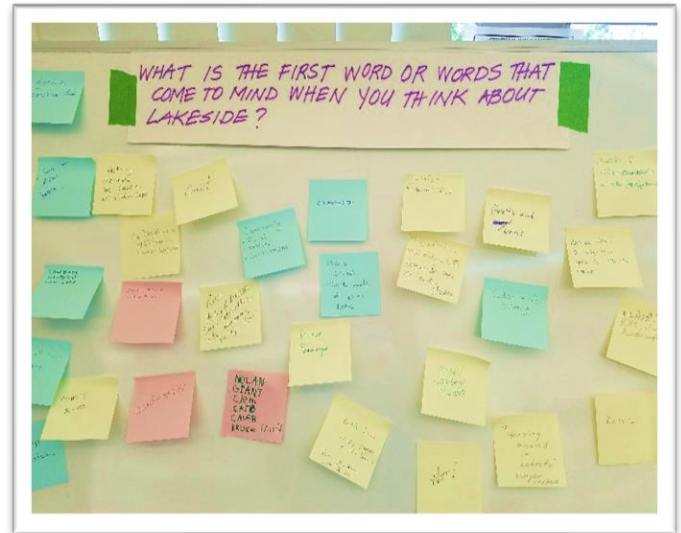

On Monday, August 9, 2021, from 11:00 am to 3:00 pm the project artists selected for the new Lakeside Branch Library met with patrons to get their input. Gail Goldman, an art consultant with the county, coordinated the event. The artists working in collaboration for the outside space are Lynn Susholtz and Bhavna Mehta. Lynn and Bhavna

visited with the award-winning director of the Barona Museum and Library to gain further insight into our community. John Brinton Hogan will concentrate on the poet's patio space. John grew up in Lakeside and graduated from El Capitan High School. Also, in attendance was Architect, Jennette LaQuire.

The following questions were asked of the community:

- When you have visitors, where do you take them to show them what Lakeside is all about?
- What is the first word or words that come to mind when you think about Lakeside?
- What do you remember about your first library experience?

The answers will be consolidated and the input will be given to the artists so that they can come away with a sense of what is important to the Lakeside community. That will inspire them to create art that both reflects the community and give inspiration to all that come to visit the new library. Further workshops may be planned. If that happens, we will be sure to get the word out. Dozens of people came by to talk to the artists and share their thoughts. Additionally, there were hands-on activities in which everyone could participate. If you came out, thank you. Your insight is much appreciated.

Dawn Espedal, Tech I at the Lakeside Library just read:

### The Girls in the Stilt House by Kelly Mustian

If you enjoyed **Where the Crawdads Sing**, you will absolutely love this book. This is Kelly's debut novel set in the Natchez Trace about two girls fighting to survive what life throws at them. It's a book of triumph, heartache, friendship, and danger. Read this and you won't be disappointed.

It was hot and they kept their smiles, waves and stepped up to show their commitment to our community and our library. So proud of each and every one.

Did you see Mary, Dawn and Dawn, Ms. Amy, Tess, Eric, Christina, and Albert...and Mary's Daughter, with grandkids marching along too? What a great team!

Friends...we were there. With water, shade and rocking it with bells, banners, and making as much noise as we possibly could. Great time, nice turn-out by all.

## SPOTLIGHT ON TESS CROCKER!

I started at the Lakeside Branch in July 2021 as a Library Tech I, and am happy to be here! Most recently, I worked in Norfolk, Virginia, as a Youth Services Librarian, and spent years before that volunteering time in both public and school libraries in New England and the UK.

Fun fact about me: My very first library job was helping to digitize the card catalog for my hometown two-room library (I was 12).

I love introducing new patrons to all the things the library has to offer, as well as answering questions about the collection.

At the Lakeside Branch I am currently building a friendly monster for the book drop for customers to "feed," and planning some adult programming for later in autumn.

I am originally from the East Coast, born and raised in Vermont and Massachusetts and moved to San Diego County in late 2019. Other than the lack of snow I am very much enjoying it. Looking forward to getting more involved in the community as the world starts opening again. I live with lifelong friends and a jungle of houseplants.

In my free time, I enjoy reading, hiking, gardening, tea parties with friends, sewing, and cooking.
