"PULITZER PRIZE WINNER • NEW YORK TIMES BESTSELLER •

An unflinching look into the abyss of slavery, from the acclaimed Nobel Prize winner. This spellbinding novel transforms history into a story as powerful as Exodus and as intimate as a lullaby.

Sethe, its protagonist, was born a slave and escaped to Ohio, but 18 years later she is still not free. She has too many memories of Sweet

Home, the beautiful farm where so many hideous things happened. And Sethe's new home is haunted by the ghost of her baby, who died nameless and whose tombstone is engraved with a single word: Beloved.

August 2022

Filled with bitter poetry and suspense as taut as a rope, *Beloved* is a towering achievement."

SPOTLIGHT ON NEW STAFF!

Meet Monica Twilegar and Evangilynn Cabral-Edu, Lakeside's newest staff members!

Hello! My name is Monica Twilegar and I began my career with the San Diego County Library in October 2017. I was the first library staff member hired from the Temp Agency the County of San Diego utilizes. My first library job was at the El Cajon Library as a full-time staff member. After three months of re-discovering how incredibly important libraries are, it was no secret the joy library work brought me, I was encouraged to apply to be an Intermittent Worker

(IW). This position allowed me the freedom to serve our patrons and be home with my family. I have worked in seven of the 33 libraries; my goal, like so many others, is to visit all of our libraries.

Five years later, I am excited to begin a new chapter of my career as the new Library Technician III at the Lakeside Branch.

I grew up in a small rural town in Oregon, population 1200. My husband and I met working at the Hotel Del Coronado, we married there in 1990, and we have raised four incredible humans, Sydney 26, Nathan 24, Tyler 19, and Natalie 17. Our baby will be heading to the University of Santa Cruz in a few short weeks.

In my free time, I enjoy spending time with my family, reading and traveling to include,,,,stay-cationing. I so enjoy checking into a local hotel and enjoying the hotel amenities and our beautiful city.

CLOSURES:

Our next closure will be Monday, September 5th, for the Labor Day Holiday

Greetings! My name is Evangilynn Cabral-Edu, your newest Library Technician I at the Lakeside Library. Prior to working for The

County of San Diego, I worked at an academic library while attending CSUSM as a Literature and Writing major. I also worked for a pediatric dentist and a pharmaceutical laboratory.

While I have not been a part of the team for very long, I can say with the utmost confidence that I am enjoying every minute of it. The

community and staff have been so warm and welcoming.

A little bit about myself. I was born and raised in San Diego, although, I have spent the last 20 years of my life living between San Diego and Los Angeles. After what seemed like an eternity, I married my Elementary School Sweetheart in 2018. My husband Kardine and I are expecting our first child, a son, this coming November. In my spare time I enjoy: reading, crafting, shopping, and spending time with my family.

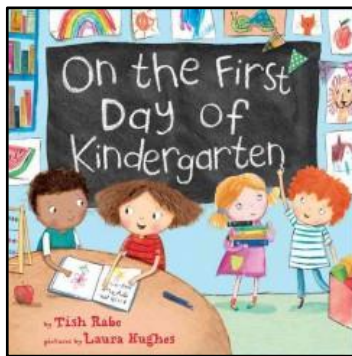

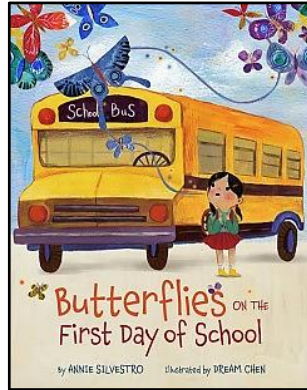

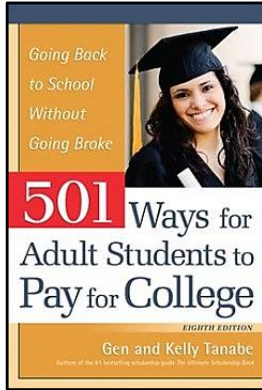

Being a part of such a tight-knit community here in Lakeside has been very rewarding, and I look forward to meeting all the amazing people who live here and visit this branch.

A Library is not just a reference service for the vulnerable. From the elderly gentleman whose only remaining human interaction is with the Library staff; to the isolated young mother who relishes the support and friendship that grows from a Baby Rhyme Time session; to a slow moving 30-something woman collecting her CD's, LIBRARIES ARE A HAVEN in a world where community services are being ground down to nothing. LIBRARIES ARE VITAL, their worth cannot be measured in books alone.

August is: **National Back to School Month**

BOOKSTORE VOLUNTEERS

Thank you to all who have come forward and have agreed to volunteer at our new Bookstore. We are still looking for more people to volunteer so that each person only has to work one shift per week.

Complete the volunteer application form and return it to the library by mail or in person. There are forms at the library. Once the form is completed, return it to the library staff and they will give you an application from San Diego County. This application form needs to be returned as soon as possible in person so that we can get the vetting process done. They will need to see your driver's license and social security card. This is needed before you can volunteer in a bookstore connected to the library. The County has additional requirements to volunteer within the library.

Please contact Carlene Rocheck at 619-443-1811 or Caprice at 619-631-5614 for additional information. We will be setting up dates next month to start the sorting process. I will be contacting those that have already been cleared to volunteer with the details.
